

...And Beyond Who We Are!

“I don’t know who you are” is creepy if it’s about someone you find in your house, but it’s the greatest if it’s on Sunday morning. Fabric is too special and important to keep a secret. To keep it for ourselves is to undo what we are about! But how do others find their way among us? Especially in an era when people are turned off by or too busy for “church.” It’s worth thinking about, in the park, with new friends we don’t know yet around us and among us.

WELCOME!

Life, for adults and kids alike, is most fulfilling when it is woven deeply with others and that mysterious element we often call the third strand, or “God.”

Expect ways for all ages to participate each week.

“**What if?**” is a question that marks the step from where you have been, to where you might go. Without a vision it is hard to craft, not just inherit, a future. We are called to create a future full of justice, hope, love, potential, and life! During **July and August** we will gather at the **Minnehaha Falls Bandstand** around some important “What if?”s. Join us!

Dipping your toes into Set Up Crew! Are you ready to get to know people better? Are you wanting a morning work out? Are you skilled at welcoming people or want to build that skill? July 9th from 9:00-12:30 come to the Falls and learn what it means to be on the set up crew!
